

Set a timer for 15 minutes, pick up a pencil, and start with the bathroom.

Each day you decide about the things in one small part of one room. Each week you move on to the next room. Twelve weeks later, you have been through the whole house.

- ☐ 7-day task lists for each of the 12 weeks, 15 minutes a day
- ☐ A weekly count of what you kept, donated, sold and tossed
- ☐ A Sell Tracker and a Donation Log
- ☐ A monthly reset tracker to keep every room clear

No organizing system to learn. No containers to buy.
